2 x A1 Large Backing Sheets printed one side with pale blue 1cm grid lines for single colour designs and plain white on the other side for full colour designs.

8 x A3 Smaller Sheets printed one side only with pale blue grid lines for cutting up into individual pieces for each child's drawing. ***Please use the plain side for the actual drawings.***

1 x Berol Fine Black Felt Pen - *Artwork must be in black felt pen only for single colour designs (or black finger paint for hand-prints).* Berol Fine Black Felt Pens are ideal for the children to use and are easily obtainable from all good stationers or can be purchased in boxes of 12 from ourselves - please ask for details.

For full colour designs use felt pens or finger paints for the most colourful results.

1 x Provisional Order Form - please fill in all the relevant information and return to us with your design/s.

How To Use The Artwork Kit

The kit involves giving each child a small piece of paper to draw on (cut from one of the smaller A3 grid sheets) and then pasting the resulting drawings back onto the larger A1 grid backing sheet.

Instructions

1. Each child completes their drawing in felt pen on the small piece of paper cut from the A3 blue grid sheets. ***(Important - please draw on the plain side of the paper and if pencil is used under the felt pen it must be rubbed out as it can make the pictures look indistinct when printed).***
2. The template for tea towels, notelets, cards, aprons and bags are marked out on both sides of the large A1 grid sheet. For all other products mark out the artwork size of your chosen product (sizes are all listed on this sheet)
3. The finished drawings are then pasted back onto the large A1 grid sheet using a strong glue (we recommend Pritt Stick). You can paste the drawings right to the edge of the specified artwork size.
4. Mail the finished pasted-up large sheet/s back to Countryside Art with the 'Provisional Order Form' in the same tube.

What Sized Piece Of Paper Do I Give Each Child?

Full Colour & Single Colour Tea Towels, Notelets & Cards

Artwork size 43cm by 72cm

Use the slightly thicker tea towel template line marked on the A1 backing sheet. ***Use the blue grid side for single colour designs and the plain white side for full colour designs.*** (Use the tea towel template for notelets and cards too). Take the pictures right up to the edge of the thicker line. We place the border outside of the thicker line.

Here is an approximate guide for what size of paper to give each child based on the number of children you want to fit on the tea towel, notelet or card. This will also allow spare pieces for the school name.

50 children - 7.5cm x 8cm	150 children - 4cm x 5cm	250 children - 3cm x 4cm
75 children - 6cm x 6.5cm	175 children - 4cm x 4cm	275 children - 3cm x 3.5cm
100 children - 5cm x 6cm	200 children - 3.5cm x 4cm	300 children - 3cm x 3cm

Artwork Sizes For Other Products

For all the following products you will need to mark the artwork size onto the large A1 backing sheet with the black felt pen.

The sizes are a guide - if you have a few more or a few less children than the guide sizes do not worry. You can either overlap some of the smaller drawings or leave slightly bigger gaps between the drawings. All the following sizes include a few spare squares for the school name, logos etc with the exception of pencil cases where one or more squares will need saving for the school name or logo.

Reverse of peg bag - artwork size 35cm high by 27.5cm wide.
